

**MESCA SHARED VISION
2019-2020**

Lead through Advocacy, Collaboration, and Innovation.

Code of Cooperation

- **Advocacy**
 - We will educate about school counseling.
 - We will gain knowledge about government relations.
 - We will use our voice to make change.
- **Collaboration**
 - We will create opportunities for school counselors by connecting with various organizations.
 - We will welcome new school counselors and promote membership.
 - We will seek input from members.
- **Innovation**
 - We will support school counselors by providing resources that will encourage the use of best practices.
 - We will integrate technology.
 - We will transform the school counseling profession by advocating for the importance of our role in all schools and districts.

We BELIEVE in ...

★ Leadership

- advocating for and being the voice of the profession of school counseling.
- providing resources and professional development that are relevant, current and useful.
- educating stakeholders on the role of the school counselor.

★ School Counselors

- advancing the delivery of a comprehensive, data-driven school counseling program in all Maine schools.
- supporting social-emotional, academic, and career development for all students.
- promoting ASCA's Mindsets and Behaviors and the national model in all schools.

★ Students in Maine

- advocating for ALL students, families, staff and communities.
- creating positive change for ALL students in Maine.
